Questions about administration of these tests should be addressed to:

Praxis tests: website – www.ets.org/praxis

Pearson NC tests: website – www.nc.nesinc.com

Reciprocity does not guarantee that all areas of a license transfer directly from one state to another, but applicants receive the closest comparable North Carolina license area. Licenses based on testing alone are not reciprocal.

NC State-Specific Requirements such as PRAXIS II and/or Pearson must be met.

Specific tests have been changed and/or regenerated for 2016-2017. Please double check before registering for a test(s).

All tests are offered as Computer Delivered Tests at specific test centers.

Test Preparation Materials:

ETS & Pearson offer a wide array of free and low-cost test preparation materials. Visit the web sites for the latest offerings including free webinars.

Educator degrees conferred July 1, 2014 or after, excluding Elem. & Spec Ed. General Curriculum, **must** take the NC approved licensure exam(s) for each initial SP1 license area at least once during the first year of teaching. Must pass the NC approved licensure exam(s) for each initial licensure area to convert the SP1 to the SP2 license.
